The U.S. Department of Housing and Urban Development (HUD) wants to make American communities stronger and to build a safer nation. The Good Neighbor Next Door (GNND) program helps make this goal a reality by encouraging law enforcement officers, pre-K through 12th grade teachers and firefighters/emergency medical technicians to become homeowners in revitalization areas.

## Who Can Participate?

### Law Enforcement

You may participate in the Good Neighbor Next Door program as a law enforcement officer if you are employed full-time by a law enforcement agency of the federal government, a state, a unit of general local government, or an Indian tribal government; and, in carrying out such full-time employment, you are sworn to uphold, and make arrests for violations of, federal, state, tribal, county, township, or municipal laws.

### Teachers

You may participate in the Good Neighbor Next Door program as a Teacher if you are employed as a full-time teacher by a state-accredited public school or private school that provides direct services to students in grades pre-kindergarten through 12. In addition, the public or private school where you are employed as a teacher must serve students from the area where the home you are purchasing is located in the normal course of business.

### Firefighter/Emergency Medical Technicians

You may participate in the Good Neighbor Next Door program as a Firefighter/Emergency Medical Technician if you are employed full-time as a firefighter or emergency medical technician by a fire department or emergency medical services responder unit of the federal government, a state, unit of general local government, or an Indian tribal government serving the area where the home is located.
